

A great reputation isn't created overnight. Ask the people who are already working with us...

“I wanted to let you know that your efforts on our behalf are greatly appreciated. You have guided us through the issues, and made countless calls on our behalf to the City. You have also patiently answered our numerous questions. We certainly wouldn't be this far along without you and your company's efforts on our behalf. Thanks.”

Jeff Watson
Director of Engineering Group
Air Liquide Electronics U.S. LP

“You are so on top of it and organized, I love it!”

Loree Quade
Project Manager
Phoenix Development, Inc.

BLUELINE REFERENCES

We encourage you to speak with past clients about why they chose us and how we have been able to help them.

Please contact us if you are looking for references from particular jurisdictions, or for particular project types. We have worked in or with nearly every jurisdiction in King and Snohomish Counties, and our service area extends to all of Washington State.

SELECT CLIENT LIST

Nearly all of our work has come from repeat and referral work through the years resulting in a broad variety of clients throughout the Puget Sound Area. They range from public agencies to home owners to local investors and large developers. Each of them had a choice of civil engineers to use and they chose us.

We are proud of the work we have done and the clients we have served. They include:
